

## **Application for accreditation as a SICOT Education Centre**

The National Delegate will submit the application to the SICOT Head Office with all the following documents:

- location of the future/potential SICOT Education Centre;
- attestation of belonging to a university or an official academic institution;
- approval of the local academic and/or political authorities;
- educational programme in orthopaedic surgery;
- annual statistics of surgical procedures;
- teaching facilities including space available (lecture rooms, library, etc.);
- teaching equipment, internet connection, etc.;
- current activities: courses, lectures, workshops, etc.

The application will be circulated to the Secretary General, the Chairman of the Education Committee, and the Vice President of the geographical region concerned.

At least one of them will visit the Centre and will report to the others. The application will then be presented to the Executive Committee and, with its recommendation, to the International Council for approval.
