

SICOT RESEARCH ACADEMY

Open Call for 2019 Multi-Centered Grants

Funding: Two \$10,000 grants (US dollars) each

Grant Description / Eligibility:

- Provides seed and start-up funding for promising collaborative research projects in any area of orthopedics.
- Research teams assembled from different countries are encouraged.
- Areas of interest include low-cost interventions of potentially high impact.
- Clinical relevance must be clearly noted in the abstract and specific aims and be obvious from the title and study design.
- **Letters of intent with summary of proposed work due 15 June 2019.**
- After a committee review of letters of intent selected individuals will be asked to submit full grant submissions and detailed instructions will be provided at that time.
- **Full grant submission deadline is 15 July 2019.**
- All letters of intent and submissions should be sent to Dr. Matthew Dobbs via email: dobbsm@wudosis.wustl.edu with a copy marked to the SICOT Head Office (awards@sicot.org).
- Inquiries about appropriateness for funding are welcome prior to submission.
