

# SICOT RESEARCH ACADEMY

## Open Call for Multi-Centered Grant

**Funding: \$10,000 grant (US dollars)**

### Grant Description / Eligibility:

- Provides seed and start-up funding for promising collaborative research projects in any area of orthopaedics.
- Research teams assembled from different countries are encouraged.
- Areas of interest include low-cost interventions of potentially high impact.
- Clinical relevance must be clearly noted in the abstract and specific aims and be obvious from the title and study design.
- **Letters of intent with summary of proposed work due 30 January 2017.**
- After a committee review of letters of intent, selected individuals will be asked to submit full grant submissions and detailed instructions will be provided at that time.
- **Full grant submission deadline is 28 February 2017.**
- All letters of intent and submissions should be sent to Dr. Matthew Dobbs via email: [dobbsm@wudosis.wustl.edu](mailto:dobbsm@wudosis.wustl.edu) with also a copy marked to the SICOT Head Office (Katia Gnych – email: [hq@sicot.org](mailto:hq@sicot.org))
- Inquiries about appropriateness for funding are welcome prior to submission.

### Who applies:

- Residents
- Fellows
- Practising Orthopaedic Surgeons

### **Application Requirements**

***10-Page Limit  
Excluding  
Biosketch***

- **Abstract (one page).**
- **Budget with justification (one page).**
- **Background.**
- **Specific aims.**
- **Research strategy.**
- **Significance.**
- **Innovation.**
- **Approach.**
- **Project timeline.**
- **Also submit maximum 5-page biosketch (NIH format or equivalent).**
